Following our participation in this successful workshop programme since 2010 we have again been invited to take a group of Year 8 and 9 students to take part in the above education workshop. The aim of the workshop is to give young people a greater insight into the workings of the Criminal Justice System in an interactive and thought-provoking manner.

The workshop has been developed in partnership with Clwyd Theatr Cymru, North Wales Police, HM Courts and Youth Justice Service and will be delivered by professional actors from the Theatre.

A timetable of the day is below:
