Pennaeth Mr M Vickery Headteacher

10th January/Ionawr 2018

Dear Parent/Carer/Annwyl Rien/Warchodwyr,

..... has been identified as a More Able and Talented (MAT) learner at present. This could be in one or a group of subjects.

The school is catering for the needs of MAT learners both within and beyond the curriculum. Within lessons we aim to ensure there is sufficient challenge and access to a variety of extension tasks. Outside the classroom, we offer a range of extra-curricular activities available to our learners. We also provide enrichment opportunities which specifically target our MAT learners.

Your child has been selected to take part in an enrichment club for MAT learners which will run from 23rd January until the end of the school year. This will take place from 3.00 - 4.00 pm after school on a Tuesday.

Please feel free to contact me at school if you wish to discuss this aspect of your child's education or discover more about the opportunities available to our MAT learners.

Many thanks for your continued support.

Yours faithfully/Yr eiddoch yn ffyddlan

Mrs C L Snaitth
Assistant Headteacher
