Pennaeth Mr M Vickery Headteacher

As you are aware your child has made it through to the regional rounds of the Schools British Gas Challenge. This will be held at Glyndwr University on Monday 29<sup>th</sup> January. This will take place during school time and students will be supervised by a member of staff at all times. Students will return to school at approximately 3.15pm so if your child uses the school bus then other travel arrangements need to be made. If this is an issue, please do not hesitate to contact the school and we will do our best to provide other transport arrangements for your child.

The team have been preparing for the competition since the school based round and have given up much of their own time to ensure that they are fully prepared.

In order for your child to be able to compete, can you please fill in and return the attached form so we are able to take the team away from the school site to compete.

May I take this opportunity to thank you for your ongoing support and wish the team the best of luck.

Kind Regards

Miss L. Wilde
