Pennaeth Mr M Vickery Headteacher

November 2017

Dear Parents

## Adverse Weather Conditions

It's that time of the year when the weather is sometimes against us, especially when it snows! **We will endeavour to keep the school open unless there is no sensible option to do otherwise, taking into consideration the health and safety of students and staff.**

In the event of overnight snow, forcing closure of the school, we will post a message on our school website, which is [www.clywedog.org](http://www.clywedog.org) as soon as possible, as well as Twitter, @Ysgol\_Clywedog and Facebook, [ysgolclywedogwrxm](https://www.facebook.com/ysgolclywedogwrxm). School closures will also appear on the council's website at [http://www.wrexham.gov.uk/english/education/school\\_status.cfm](http://www.wrexham.gov.uk/english/education/school_status.cfm)

Please check the website before sending your child to wait for the school bus. If we are forced to close during the school day we will make every effort to contact you either via your child or directly.

Parents and students should assume that the school will remain open unless a closure notification is posted.

Parents need to be aware that our telephone system only carries a limited number of inward lines and using the web site is the quickest and most reliable way of keeping informed about possible school closures.

I hope that we do not have to action our contingency plan but felt it important to let families know what arrangements we have in place.

Yours sincerely

Mr M Vickery  
Headteacher / Pennaeth
