Logging on

When logging onto Epraise as a parent, use the email address previously provided to the school.

Apps are available on the Google Play Store as well as the Apple App Store for free download.

Remember to select "parents" when logging in

Remember to use the email address previously provided to the school and select login/ register.

Please note:

If you have not logged in before, Epraise will register that email address to your account and send you an activation email to your inbox.

First time signing in, or if you have forgotten your password

Enter your registered email address and leave the password blank and select login, this will prompt Epraise to send you a change password link to your email inbox (may appear in your junk folder).
