Dear Parents/Guardian

Thank you to all our families for your ongoing support enabling a positive start to the new term as we introduce enhanced COVID safety measures.

There has been some misleading information published in the local press, which we want to address.

All year groups have indoor areas to collect and eat their lunch; we also have outdoor areas allocated to each year group. Students are able to make a choice as to whether they wish to eat inside or outside. However, should the weather deteriorate we will encourage students to make more use of their indoor space at break and lunchtime.

Please can I encourage all families to contact the school if you have any concerns.

We thank you in anticipation of your continued support.

Yours sincerely

Regards,

Miss C Pritchard
Interim Headteacher
